IRS Determination Number No. 17053050008007 – Established June 1st, 1996

Dear Friend of A Window of Opportunity Foundation:

Every year high school graduates look toward the realization of their dreams of entering college. Unfortunately there are many deserving seniors that cannot afford a college education. We, at A Window of Opportunity Foundation, believe that in order for our country to remain strong, young Americans must have the chance to pursue higher learning. We are committed to our mission of helping economically disadvantaged students by providing funds to further their education. Through our annual fundraiser, held during the fall of each year at the Houston Polo Club, we are able to help some students. Today's economy and the higher cost of college tuition have created a greater need for scholarship funds and the number of applicants has increased considerably compared to previous years. Faced with limited resources, the Foundation is forced to turn down many qualified applicants. These students will not have the opportunity to journey along the path to success and attain the American dream. We believe that no deserving student should be left behind. You can help us on our endeavors by sponsoring a high school senior with a tax-deductible donation in any of the levels listed on the enclosed form.

Your contribution can help to pave the way to a better future for a high school graduate. Scholarships are awarded each May. We will notify you of the name of the student you sponsored and keep you informed of his/her progress in college.

Thank you for your support.

Sincerely yours,

A WINDOW OF OPPORTUNITY FOUNDATION
